

Issue 20

1. SOLAS News

- Job listings are **now** posted on the SOLAS website:
<http://www.uea.ac.uk/env/solas/jobs.html>
- Look for issue number 3 of the SOLAS Newsletter in your mailbox in early May. This issue concentrates on SOLAS Focus 1 science.
- In the fall, SOLAS Focus 3 science will be highlighted. If you are a Focus 3 researcher and wish to contribute (or you wish to nominate someone), contact us at
jeff.hare@uea.ac.uk
- Publishing a SOLAS paper? Please include the word "SOLAS" within the abstract and acknowledgements.
- SOLAS Science 2007: The next SOLAS Open Science Conference will held in Xiamen, China, **6-9 March 2007**. Registration begins in May on the SOLAS website.
- The 3rd SOLAS "Summer" School will be held **22 October - 3 November, 2007**.

2. Conferences / Meetings

- ESSP Open Science Conference **9-12 November 2006**.
Beijing, China
Contribution Deadline: 01 May 2006;
www.essp.org/ESSP2006/CallPapers_index.html Limited

resources are available to support international participants.

- AMT-Royal Society meeting:
Atlantic Ocean Biogeochemistry and Biodiversity
<http://www.pml.ac.uk/amt/research/roysoc/programme.htm> 20 July 2006 at the Royal Society, 6-9 Carlton Terrace, London. Abstracts can be submitted on: www.amt-uk.org. The meeting has been endorsed by EUR-OCEANS. Registration is £40 (£20 for students).
- DISCO XX: Dissertations Symposium on Chemical Oceanography; Oct 8-12, 2006. Symposium for new PhDs in chemical oceanography, New Otani Kaimana Beach Hotel Honolulu. Participation is by invitation only; www.pods-symposium.org.
- The RAPID International Conference invites abstracts.
Deadline is 15th July 2006.
<http://rapid.nerc.ac.uk/rapid2006/ic06call.php>
- Remote Sensing of the Marine Environment; Part of SPIE's International Symposium on Asia-Pacific Remote Sensing; 13-17 November 2006. Marriott Hotel. Goa, India.
- PICES 15th Annual Meeting (PICES XV); October 13-22, 2006, Yokohama, Japan.
<http://www.pices.int/meetings/annual/PICES15/background.aspx>
Of interest to the SOLAS community are:

PICES/SOLAS Workshop (W1) on "Modelling iron biogeochemistry and ocean ecosystems"; Oct 13.

Topic Session (S4) on "Synthesis of in-situ iron enrichment experiments in the eastern and western subarctic Pacific"; Oct 17.

- Workshop on "Oxygen Minimum Systems in the Ocean: Distribution, Diversity and Dynamics" will be held in conjunction with the SCOR General Meeting.
<http://www.cona.cl/scor/oms.htm>
OCTOBER 24 - 26, 2006, HOTEL EL ARAUCANO, CONCEPCION, CHILE Pre-register by September 1; **Deadline for abstracts is June 30.**
- AMMA-US Workshop (4-5 May 2006), Hilton, Silver Spring, MD <http://www.joss.ucar.edu/amma/>
- Session on "Interface processes between the Ocean, Atmosphere, Sea Ice, and Snow in Polar Regions" at the JOINT IGAC/CACGP/WMO SYMPOSIUM on ATMOSPHERIC CHEMISTRY AT THE INTERFACES in Capetown, 17-23 September 2006.
Deadline: April 30 2006.

Session conveners: Jan W. Bottenheim, Harry Beine, Paty Matrai, Paul Shepson

3. Books / Reports

- Atmosphere-Ocean Interactions: Volume 2
Editor: W. PERRIE, Bedford Institute of Oceanography,
CANADA info@compmech.com
- Later this year the third special issue of DSR II on the U.S. JGOFS Synthesis and Modeling Project will be published. The JGOFS office will be making a bulk order to pass on the reduced cost. Mary Zawoysky; mzawoysky@whoi.edu
- The Polar Research Board of the U.S. National Academy of Sciences announces a new report "Toward an Integrated Arctic Observing Network." The report can be downloaded in PDF format at no cost from:
<http://www.nap.edu/catalog/11607.html>

4. For Students

- EURODOC is the European-wide federation of national associations of Ph.D. candidates, and more generally of young researchers. <http://www.eurodoc.net/>
- The Utrecht Summer School on Physics of the Climate system (USPC) will be held **August 15-25, 2006**, at Utrecht University, Netherlands. The courses are targeted at advanced undergraduate or beginning grad students. <http://www1.phys.uu.nl/masters/summerschools/uspc/>
- 2006 ASP Summer Colloquium: The Art of Climate Modeling <http://www.asp.ucar.edu/colloquium/2006/>

- Summer school on "Climate changes impact on marine ecosystems" (14-26 August, 2006) in Ankara, Turkey. For advanced Ph.D students and young scientists.
<http://www.ims.metu.edu.tr/SummerSchool/index.htm>
Deadline for applications is May 15.

5. Funding

- The European Science Foundation is inviting proposals for its European Collaborative Research scheme (EUROCORES).
http://www.esf.org/esf_activity_home.php?activity=7
Deadline: 15 June 2006
- UK Royal Society International Programmes:
European science exchange programme (Western Europe)
This supports projects between 2 teams, one in the UK and one in another European country, over two years. Funding is of up to £6,000 per annum.
<http://www.researchresearch.com/getPage.cfm?pagename=fundingOpRecord&lang=EN&type=default&id=162970>
- Central/East Europe and former Soviet Union
For 2-year joint projects between researchers in the UK and the countries of central and eastern Europe and the former Soviet Union. Funds are provided to cover travel and subsistence for project teams of up to £6,000 per year.
<http://www.researchresearch.com/getPage.cfm?pagename=fundingOpRecord&lang=EN&type=default&id=158997>
- South America and Cuba

Provides grants for researchers to cover travel, subsistence and research expenses. Collaboration on a single project including 2 teams or individuals: one based in the UK and the other based outside the UK. The scheme runs for 2 years and provides grants at a maximum of £6,000 per year.
