1. SOLAS News

SOLAS Open Science Meeting, Xiamen, China.
6th– 9th March 2007
<http://www.solas2007.confmanager.com>

!!*!*!*!*!*!*!*!*!* PLEASE PAY YOUR REGISTRATION FEE!!
*!

There is still time to register. Registration fees will be used to offset the costs for the conference venue and to bring young and developing world scientists and students to the conference.

On the conference website, you can submit your poster abstract and book your hotel.

The SOLAS IPO is soliciting the community for suggestions on conference afternoon discussion and synthesis sessions. Please send these immediately, as decisions will be made soon.

Prior to the conference, the SOLAS Scientific Steering Committee will meet for two days of discussion and planning.

SOLAS Summer School, Corsica
22nd October–3rd November, 2007
Applications open soon.

The 4th Issue of the SOLAS Newsletter has been shipped and you should have received your copy. Note that this issue will be the last to be mass–printed in hardcopy. The next issue of the Newsletter

will be online, unless you specify that you wish to have a hardcopy version. For those of you who haven't done so yet, please send an email to g.bayliss-brown@uea.ac.uk simply stating "Hardcopy" and include your mailing address.

The SOLAS/IMBER Carbon Research Implementation Plan was published electronically last February. It is our intention to print hard copies of this document for limited distribution. Consequently, we offer you the opportunity to suggest edits before we go to print. The Plan is available at:
<http://www.uea.ac.uk/env/solas/SPIS/SPIS1.html>
Send your comments to the IMBER Secretariat at: Sylvie.roy@univ-brest.fr before 1st February 2007.

Canadian SOLAS recently were provided a Special Issue in Deep-Sea Research devoted to the results of the SERIES experiment:
