

1. SOLAS News

The fifth issue of the SOLAS newsletter is now available on our website at <http://www.solas-int.org>. This issue has been distributed online to reduce costs and environmental impact. You can subscribe to receive a hardcopy of "SOLAS News" by sending an email to g.bayliss-brown@uea.ac.uk; include your full name and postal address.

The 2007 SOLAS Summer School Organizing Committee is finalizing the reviews of 240 student applications and expects to announce the 70 student placements by the end of the month. We have received many exceptional applications, particularly from the developing world. The SOLAS IPO is working to develop resources to fund the participation of many of these applicants.
