The 3rd SOLAS Summer School (Oct 22 - Nov 3) was a great success, with 68 students and 15 lecturers in attendance from over 20 countries. We wish to thank the everyone who played a part in making this event such a pleasurable and fruitful experience.

The next SOLAS newsletter is soon to be published, and to reduce cost and environmental impact we will be distributing this online. We will print a limited number of hardcopies, and if you wish to receive a hardcopy please e-mail us (g.bayliss-brown@uea.ac.uk) with your full contact details.
